

How would you like to praise God every day of the month?

We've found a good way to do this is to look at some of the descriptions or characteristics of God given in the Bible and then use these to praise Him. Some are given here in **31 DAYS OF PRAISE** (NIV). We've listed them alphabetically, one for each day of the month. As you use this chart to help you praise God, read the verse for the day and take time to consider ways in which God has demonstrated this characteristic. It might also help you to think of a hymn or praise song which mentions this characteristic of God and sing this to yourself throughout the day. The great thing about praising God in this way is that these descriptions of Him never change – no matter how you're feeling or what you're going through, you can always praise Him with confidence!
