

## 31 Days Of Proverbs

One of the great things about the Old Testament book of Proverbs is that it has 31 chapters – one for each day of the month! We've put together **31 DAYS OF PROVERBS** to help you read the chapter which corresponds to the day of the month. We've selected one verse from each chapter that we've called "Verse for the Day" and, beside that, a "Thought for the Day" that takes the form of a question that relates to the selected verse. This is to encourage you to think more deeply about what you've read and help you to apply it to your daily circumstances. Enjoy your journey through the book of Proverbs ...
